
① Togu® Slow-Mo Ball

The slow-motion movement of the 'slow-mo' ball makes it easier to handle. Made from Ruton, in blue and red, with valve. ø 35 cm, approx. 300 g.

71 109 5207 Each

Attention! Not suitable for children under 3 years. Contains individual parts that may be swallowed. Danger of suffocation.

② Sport-Thieme® Jumbo Ball

This large inflatable ball fits into any bag. Ideal for ball games both indoors and outdoors. 100% nylon cover with an internal bladder and stopper seal. Also suitable for use in the water. ø 40 cm, 200 g.

71 129 4024 Each

Attention! Not suitable for children under 3 years. Contains individual parts that may be swallowed. Danger of suffocation.

✔ **Ideal for group games**
✔ **Light as a feather**
✔ **Floats**

③ Sport-Thieme® Floating Ball

Just a little push and the colourful, feather-light ball is up in the air. It will captivate everyone no matter what age they are, as it is easy to manoeuvre. After about 15 minutes, the volume reduces slightly. This makes the game even more exciting. Can be used outdoors or indoors and is suitable for every imaginable group game. Particularly strong stitching. ø approx. 120 cm. 100% nylon material. Blue, yellow, red. We recommend the pump on page 42 ⑩ for inflating.

71 129 4011 Each

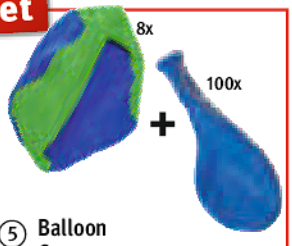
④ Sport-Thieme® Neoprene Balloon Cover

Convert balloons into almost indestructible slow-motion balls. Simply place the balloon into the ball cover, inflate, seal and the fun can begin. Can also be used for strengthening slow-motion balls. Suitable for people with allergies. Washable at up to 30°.

71 188 4803 ø 18 cm Each
71 188 4816 ø 24 cm Each

Attention! Children under 8 years of age may suffocate on uninflated or burst balloons. Adult supervision is necessary. Keep uninflated balloons out of the reach of children. Remove burst balloons immediately. Use a pump for inflating the balloons. Made from natural latex rubber, which can cause an allergic reaction.

Set



⑤ Balloon Covers with Balloons

The set consists of:
- 8 neoprene balloon covers, approx. ø 18 cm ④
- 100 compatible balloons

71 188 4832 Each

Attention! Children under 8 years of age may suffocate on uninflated or burst balloons. Adult supervision is necessary. Keep uninflated balloons out of the reach of children. Remove burst balloons immediately. Use a pump for inflating the balloons. Made from natural latex rubber, which can cause an allergic reaction.

✔ **Inflatable with a drinking straw**
✔ **Seal with a stopper**
✔ **Freely adjustable volume**

⑥ Gymnic® Over Ball

This ball for all occasions is inflated using a drinking straw and sealed with a stopper. After play time, simply deflate the ball and put it in your pocket. Made from a good-grip, soft material with excellent bounce, very light. No risk of injury, can also be played with in water. ø 26 cm.

71 109 1609 Each

Attention! Not suitable for children under 3 years. Contains individual parts that may be swallowed. Danger of suffocation.
