Sets

4 | Sport-Thieme Corner-Welded Football Goal Set

Set includes:
- 1 corner-welded aluminium goal, 2|
- 1 pair of goal nets, made of 3-mm green polypropylene, page 85, 11|

This set includes 1 spare net.

71 115 0751 Set

5 | Sport-Thieme Full-Sized Football Goal Set

Full-sized goals in ground sockets.
The set includes:
- 2 aluminium goals in compliance with FIFA regulations, 2|
- 3 nets made of 3-mm polypropylene

According to many clubs, damage to the net is often discovered right before a match. **That's why this set comes with a 3rd net as a spare.**

71 115 0302 Set

Full-sized goals with fully folding net brackets & base frame

These goals are ideal for use when warming up before an important match, and can be quickly and compactly stored near the pitch.
- Comply with FIFA/DFB regulations and DIN-EN 748, thanks to anti-tip ground anchoring
- Particularly torsion-resistant due to several internal profiles
- Folding net brackets; base frame folds up, allowing the goal to be transported and stored compactly
- With all-round groove for net hooks
- Incl. plastic net hooks and anti-tip ground anchoring for soft surfaces

See table for available versions.
