- ✓ Provides a sense of security for nervous swimmers and for people with disabilities or illnesses
- ✓ Protects your head and keeps your mouth and nose above water when on your back

1 | 'Secumar 9 S' Swimming Collar

Made of high-quality synthetic material with a skin-friendly coating. Supports the head when swimming on your back ensuring breathing is kept above water. It is especially useful for less confident swimmers and people with disabilities as it makes them feel more at ease and safe in the water. Available in 3 sizes.
