

'Super Light' gymnastics mat

Ideal for gymnastics in nurseries, schools and clubs

Uses:
floor exercises, dismounts with drop height of up to 60 cm

Users:
schools, clubs, nurseries

Surface:
Polygrip

Underside:
'waffle' design

Core:
sandwich construction from light and soft foam

1 | Sport-Thieme 'Super Light' Gymnastics Mat

Complies with EN 12503-1 type 3. For use in schools, sports clubs and nurseries. Suitable as floor mats and apparatus mats with landings up to a drop height of 60 cm. No need for additional hook-and-loop corners or other elements to join several mats. The non-slip 'waffle' design on the underside of the mat guarantees a secure hold on the floor and prevents mats from slipping apart from each other. Thanks to the precise edge dimensions, it is possible to place several mats close together. The surface is securely attached to the foam core which makes creasing impossible and increases safety. A special sandwich core (light and soft foam) results in excellent shock-absorption qualities.

See table for available versions.

Dimensions (LxWxH)	Blue	Yellow	Green	Red
100x50x6 cm	71 222 9805	71 222 9818	71 222 9821	71 222 9834
150x100x6 cm	71 222 9007	71 222 9010	71 222 9023	71 222 9036

Dimensions (LxWxH)	Blue textured gymnastics mat material
150x100x4 cm	71 120 2045
150x100x6 cm	71 120 2003
150x100x8 cm	71 120 2016
200x100x4 cm	71 120 2058
200x100x6 cm	71 120 2029
200x100x8 cm	71 120 2032

- ✓ Core and cover securely glued together
- ✓ Crease-free gymnastics fun
- ✓ Slip-resistant 'waffle' underside

2 | Sport-Thieme 'Sportime' Gymnastics Mat

Complies with EN 12503-1 type 3. The great-value alternative. Composite foam (100 kg/m³) and gymnastics mat material are securely glued to each other. This gives extra assurance that the mat will not crease. The mat's underside has a rubberised 'waffle' design, making the mat less slippery and ideal for covering large areas.

See table for available versions.

'Premium' gymnastics mat

A lightweight and firm mat in modern colours

New!

Uses:
floor exercises, dismounts with a drop height of up to 60 cm
