Transport

6 | Sport-Thieme 'Jumbo' Transport Trolley

The 'Jumbo' transport trolley is a must-have for any sports hall. A really useful piece of equipment for transporting and organising the storage of balls and other small items! The close-meshed steel design has additional cross-sections for stability, a lockable folding lid and 4 smooth-rolling castors. Also has an additional access flap, ideal for smaller children as they can reach the bottom and remove items themselves. When empty, the trolley can be folded flat which saves space. If needed, can be locked with a padlock.

Lock and contents not included.

Jumbo L
