## Roller Boards

**For school sport and psychomotricity**

### Sport-Thieme roller boards

Fun for both big and small. Can be used when sitting, lying down, kneel-ing or in pairs. Also great for ball games and races. Children playfully practise balancing and working in groups. With pre-drilled holes for roller-board cords so you can pull the board along. The board will not tip thanks to its low centre of gravity (H: approx. 9 cm). Sturdy plywood, natural varnish with especially smooth-running, ball bearing-mounted castors. Abrasion-resistant, robust and solid rubber tyres. 10-year guarantee (excluding “Soft”). Can hold up to 120 kg, making it virtually unbreakable!

### For your safety

These parts ensure safety on roller boards:
- Ball bearing-mounted, small castors
- Solid rubber tyres
- Low centre of gravity
- Double castors for soft hall floors
- Finger protectors
- Protective corners for impact protection

### Castors: ball bearing mounted & extremely quiet

### 1. Standard

- **Castors**: 4 single swivel castors
- **Special features**: Classic
- **Advantages**: For soft hall floors, for 2 people
- **Size (LxW)**: 62x35 cm
- **Patent protection**: 10 years
- **Guarantee**: 10 years
- **Product code**: 71 128 5404

### 2. Double

- **Castors**: 4 double swivel castors, extra-long
- **Special features**: For 2 people
- **Advantages**: Prevents damage, registered design
- **Size (LxW)**: 62x35 cm
- **Patent protection**: 10 years
- **Guarantee**: 10 years
- **Product code**: 71 128 5446

### 3. Jumbo

- **Castors**: 4 double swivel castors, extra-long
- **Special features**: For 2 people
- **Advantages**: Prevents damage, registered design
- **Size (LxW)**: 82x35 cm
- **Patent protection**: 10 years
- **Guarantee**: 10 years
- **Product code**: 71 127 9102

### 4. Karambo

- **Castors**: 4 double swivel castors, extra-long
- **Special features**: Protective corners
- **Advantages**: Prevents damage, registered design
- **Size (LxW)**: 62x35 cm
- **Patent protection**: 10 years
- **Guarantee**: 10 years
- **Product code**: 71 128 5462

### 5. Cap

- **Castors**: 4 single swivel castors, protective caps
- **Special features**: Finger protection
- **Advantages**: Prevents damage, registered design
- **Size (LxW)**: 62x35 cm
- **Patent protection**: 10 years
- **Guarantee**: 10 years
- **Product code**: 71 128 5459

### 6. Special

- **Castors**: 4 single swivel castors, protective corners
- **Special features**: Very safe, registered design
- **Advantages**: Prevents damage, registered design
- **Size (LxW)**: 62x35 cm
- **Patent protection**: 10 years
- **Guarantee**: 10 years
- **Product code**: 71 128 5475

### 7. Ergo

- **Castors**: 4 single swivel castors, shaped recesses
- **Special features**: Hand protection
- **Advantages**: Comfortable, registered design
- **Size (LxW)**: 62x35 cm
- **Patent protection**: 10 years
- **Guarantee**: 10 years
- **Product code**: 71 128 8504

### 8. Soft

- **Castors**: 4 single swivel castors, soft padding
- **Special features**: Comfortable hand protection
- **Advantages**: Registered design
- **Size (LxW)**: 66x39 cm
- **Patent protection**: 10 years
- **Guarantee**: 10 years
- **Product code**: 71 128 5420

### 9. Colour Line

- **Castors**: 4 single swivel castors, extra-light, coloured
- **Special features**: Suitable for children 3 years and over
- **Advantages**: Registered design
- **Size (LxW)**: 60x35 cm
- **Patent protection**: 10 years
- **Guarantee**: 10 years
- **Product code**: 71 227 8302

### Approved by / cert. no.

- TÜV Austria, certificate number: 1579-PS17-312.3-2

### Warning!

Not suitable for children under three years of age. To be used under the direct supervision of adults.
