- ✓ Slackline for your team
- ✓ Also suitable for tug of war and running games

## 1 | Sport-Thieme Team Balance Band

The team balances together! After attaching the line to the middle vertical bar in a set of wall bars, the children pull it so that one child can balance on it. Also suitable for tug of war and chain tag. The line is 5 m long, 8 cm wide (100% polyester) with 20 loops (100% polypropylene), twist lock snap hook and wooden bar. Suitable for up to approx. 80 kg body weight.

## 2 | Pedalo Walking A

The 'Walking A' demands team spirit. Once the ropes are pulled, one player goes into the middle and stands on the horizontal bar. At his/her command and in agreement with the four players on the outside, the 'Walking A' moves forward

step by step. This is a good way to develop coordination at group level, as well as encouraging participants to share responsibility in a fun way.

Attention! Long cord. Danger of strangulation. To be used under the direct supervision of an adult.

- ✓ Includes 6 aluminium handles

## 3 | Sport-Thieme Flying Blanket

Have fun on land and in the water. The large hexagonal sheet, made from tear-proof fabric mesh (100% polyester), is fitted with 6 aluminium handles for varied group games. An object placed on the sheet can be flung up into the air by pulling or by raising the edges. Exercises: passing an object over a rope, 'hot potato' or aiming at a target. Develops coordina-

tion, skills and teamwork. Does not include any additional objects. Balls, beanbags, water bombs or similar can be used for playing. Registered design 20 2012 004 975.5. Sheet colour: red, ø 155 cm, max load 60 kg.

Attention! Not suitable for children under 3 years. Long cord. Danger of strangulation.

## 5 | Pedalo 'Hand/Foot Loop' Dry Skis

Reach your goal by working together: these dry skis require team spirit. You also have to coordinate the movements of your hands and feet. The difficulty level can be changed by fixing the foot loops. These skis support your movements and offer grip. Made of extremely strong plywood, non-slip, green. 10 cm wide, 21 mm

thick. Available in 2 versions: 80 cm or 160 cm. Weight of 80-cm version: 3.4 kg. Weight of 160-cm version: 6.2 kg. Length 80 cm, for 2 people

71 132 5616      Pair

Length 160 cm, for 4 people

71 132 5632      Pair

Attention! To be used under the direct supervision of an adult. Not suitable for children under 3 years. Long cord. Danger of strangulation.

## 6 | Pedalo 'Foot Loop' Dry Skis

For up to 4 people. Encourage coordination and cooperation. Participants have to coordinate their movements to be able to move forwards. Each with 4 foot loops. Made of extremely sturdy plywood, non-slip, green. LxWxH: 160x10x21 cm. 6.2 kg.

71 132 5603      Pair

Attention! Not suitable for children under 3 years. To be used under the direct supervision of an adult.

## 7 | Erzi Team Ball Track

Here it's all about team spirit. Individual participants must work hand in hand to create a long track. The aim is to keep the ball moving and allow it to roll to a target point. 8 track pieces made of beech wood, incl. 2 wooden balls and instructions. LxWxH: 44x38x6 cm, individual track pieces: 43x7x3.5 cm, 3.71 kg.
