## 1 | Sport-Thieme Educational Throwing Discs

These soft throwing discs not only allow children to practise throwing and catching, but also allow them to revise and learn educational material in a fun way – blending learning and activity into one! Children catch the disc and the position of their thumb on the disc indicates which number or symbol applies. PU-coated throwing discs. ø 24 cm, 40 g.

## 2 | Sport-Thieme Educational Throwing Disc Set **Set**

The set includes 4 educational throwing discs with different designs printed on them: numbers from 0–10, dice numbering from 1–6, movement instructions (in German) and German vowels. In red, blue, green and yellow. **71 266 1403** 4-piece set

✓ Fun with different sinking depths

## 3 | Sport-Thieme Sensory Blocks

The different foam fillings challenge dexterity when balancing. Feel with your whole body. When lying on these blocks you will feel how different blocks either support or give in under your body weight. Especially good when you balance on

them with your arms. When stacked, they are great to sit on, as bridges, obstacles, etc. 5 blocks, each 50x20x15 cm. Covers made from artificial leather (100% polychloride). Registered design. **71 204 3210** Set of 5
