

- ✓ Foldable, incl. anti-trap protection
- ✓ For indoor and outdoor use

1 | Sport-Thieme Foldable Mini Goal

Easy to transport and strong for training. Can be used as a training goal for football and street hockey or for sports like beach football and beach handball. Its special folding mechanism means that it is easy to transport and set up. This makes it ideal for different areas of use. When in use, the folding mechanism can be locked securely in place. Incl. anti-trap protection. The net is attached to the goal with a special all-round net bar. It includes ground anchors for securing to grass pitches and suction cups for attaching to smooth indoor floors. The frame is

made of powder-coated steel tubing, net is made of polyethylene.

90x60x70 cm, approx. 5 kg
