1 | New! Sport-Thieme ‘Flex’ Street Soccer Court

A mobile sports arena. Easy to set up and take down without any screws thanks to the interlocking and hook-and-loop fastener system. DIN EN 15312 safety-approved design: weatherproof, robust and quiet. Boards made of white, hard foam panels. Fully welded goals and entrances integrated into the board system. Suitable for advertising. Long-lasting thanks to corrosion-resistant aluminium.
